

## European College of Animal Reproduction

- ECAR -

Dear Colleague,

Diplomates of the European College of Animal Reproduction have an annual membership fee which is due now for 2023. Let me draw your attention that according to ECAR Constitution

(<http://www.ecarcollege.org>):

- The annual dues of each Diplomat shall be determined by the general assembly. It is payable from the 1st March each year. (*Article XIII /1/*).
- Members who have not paid their membership fee for two years will be excluded from the College (*Article XIII /5/*).

This year, the annual subscription for **Active Diplomates** is **210 €** but there is a **30 € discount** for those paying in due time (see ABM 2004). However, this 30 € discount is effective *before 1 July* only. A reduced annual fee should be paid by **Non-Active Diplomates (100 €)** and by **Retired Diplomates (50 €)**.

Although ECAR sends out electronic reminders for the diplomates to their e-mail address available, the annual payment is due without any notice. If you have paid before receiving this reminder, please ignore it.

The following payment methods are available:

**1. Bank transfer (internet banking):** send the amount of 180 € (210 € after July 1<sup>st</sup>) to the ECAR bank account (for details see below). ECAR should receive the membership fee of 180 € before July 1<sup>st</sup> (see above) as a *net amount*, all transfer charges should be covered by the sender. **For identification of the sender, always remember to indicate your family name (only) as the payment reference**

**2. Electronic payment (online):** via the fee section on the website. Select the membership and you will be taken to the payment portal. <https://www.ecarcollege.org/fees/>

Unfortunately, every year several payments (transferred through universities or institutions) do not show the name of the sending person and cannot therefore be attributed to them. Please help to avoid this by always giving your family name as the payment reference, whichever method you are paying by.

Please note that written receipt will only be sent you upon request.

With kind regards,

Jan Govaere
